Fostering Fortnight is the annual awareness campaign run by the Irish Foster Care Association. We aim to bring awareness to fostering in Ireland and all the valuable work being carried out every day in our fostering families and fostering communities. Foster care is the backbone of the Irish care system and we need to recognise and celebrate all who are involved in foster care in Ireland.

Fostering Fortnight is a chance for all those involved in fostering and the communities that support them to tell their stories and share their experiences.
